HASTINGS HAPPENINGS

Respect - Responsibility - Initiative - Resilience
Commitment - Courage - Achievement

DANCE FESTIVAL

Our six dance groups shone brilliantly at the Hastings Dance Festival held at Camden Haven High on Wednesday night. The students had put in a very long day of rehearsal but rallied to ensure everything clicked on the night to create performances that many biased Hastings parents thought were the best of the evening! The many hours of preparation and practice are a testament to the professionalism and dedication of our teachers: Mrs Barker, Miss Bourne, Mrs Fieldsend, Mrs Johnson, Mrs Sherrard and of course, our specialist dance teacher, Miss Amy Henson. Thanks also for the wonderful support from our parents!
DISTRICT FINALS SUCCESS
Congratulations to our four speakers, Kayle Enfield, Miah Noble, Jesse Beard and Tait McIntyre who competed in the district finals of the Multicultural Perspectives Public Speaking competition. Having to present the same speech they presented in the school finals they were also required to present an impromptu speech. All four students performed very well with Kayle taking out the junior section followed by Mia in 2nd place. Jesse kept up his high standard also coming in 2nd in the senior section.

YEAR 1 PUBLIC SPEAKING COMPETITION
Not to be outdone by our older speakers, the best public orators in Year 1 put their skills to the test on Monday. These students, who haven’t yet been at school for two years, impressed everyone with their confidence, courage and skill. They did something most adults don’t like to do and did it well! For some it was the first time they had used a microphone, but all speeches were delivered with confidence and big smiles. Congratulations to all our speakers. Our contest was won by Zake Morris whose speech was entitled “My Dogs”

A CHALLENGE!
We all know access to the internet has changed the way we interact both socially and professionally, with our children being no exception. Like most changes, the internet has its positives and negatives with schools being called on to mediate when internet misuse flares into cyber-bullying away from school. To this end, we are setting the following challenge: For the next month we ask all parents of our school to limit their child’s or children’s internet access to one hour a day from 3:30 to 4:30pm. This way all children will know every student in our school won’t be doing things on the internet at other times and we may stem the bullying that is beginning to impact on the well-being of a number of students. Just think of how the remaining non-internet time could be used each day – playing with friends, reading, watching TV, helping around the house, talking face to face with family members! Let’s all give it a go, put some balance back into children’s lives and see what happens.

KINDERGARTEN WRITING
Parents of our Kindergarten children are in for a treat in Education Week next term when they look at their child’s writing book. Collectively, the standard achieved in just six months is outstanding, with a number of students writing at a level beyond their years. Congratulations to the Kindergarten teachers who have given their classes such an excellent start.

MUFTI DAY
MANY CULTURES – ONE COMMUNITY
Next Friday is our Term 2 Mufti Day celebrating the world’s many cultures coming together (for the hockey and soccer world cups) as one community! All students are encouraged to wear a sports team shirt, green & gold for Australia, the colours of their favourite sports team or traditional clothes from any country.

For being out of uniform you are to pay $2.00
All money raised will go towards the purchase of farm animals, a water well and/or garden implements etc to support those in countries less fortunate than ours!
REPORTS
A reminder that reports will be issued in the first week of next term. To ensure all reports arrive home safely and in good condition we ask for the blue report folders to be sent back to school over next week. Kindergarten children and new students to our school will be issued with these folders when reports are sent home. If your child has lost his/her folder and you would like a replacement, please send $2 to the office.

HEAD LICE
A reminder to all parents that head lice have made an unwelcome return with a number of cases reported to school. Please check your child’s hair regularly and take the necessary steps to eradicate this problem. This is another project where we need the cooperation of everyone to succeed.

SCHOOL BAND
Mrs Hamilton and Mr Rugers are using the pupil free day on Monday, 14th July and will hold a band workshop in the hall for all Senior Band members. Another follow-up workshop will be held on Friday, 18th July. A note was given to band members today and must be returned by Wednesday please. It is hoped all senior band members will attend both days.

KINDERGARTEN ETHICS CLASSES
It appears very likely ethics classes for our kindergarten children will start under the guidance of Jem Hansen. It is hoped these classes will commence in either the first or second week of next term. They will take place at 9:30am each Tuesday during the scheduled kindergarten scripture time. If you would like your child to be considered for this class, please contact the school before the end of term. The class size is limited to 22 students.

CANTEEN TREAT DAY
Next Friday is Canteen Treat Day. 50c to $2 for all the “yummy” things that are only sold once a term!

LOST PROPERTY
Lost property means these items are not labelled / clearly labelled with your child’s name! Our lost property tubs will be cleaned out at the end of term. Clothing items such as jumpers, jackets and hats remaining unclaimed will be washed and passed on to the Uniform Shop. All containers and drink bottles will be binned. A pretty pair of pink shoes, makeup, hair brushes and several unmatched socks came back from Camden Haven on Wednesday night and are also in the Lost Property tubs.

Canteen help is required on the days above. Canteen is 10:30am to 2pm with on the job training and a free lunch of your choice. If you can assist on any of these days please contact Lesley in the canteen. It’s a great way to meet other families and the kids love to “show you off” to their classmates!
