HASTINGS HERO

Tayah Zapata
(5H)

Congratulations to Tayah who was named June’s Hastings Hero. Tayah’s citation reads …
Tayah has a fantastic school spirit in and out of the classroom. Not only is she a talented artist and always well-behaved, Tayah voluntarily collects rubbish in the playground because she feels helping the environment is a worthy cause. This has also made her a great role model for others at Hastings.

Congratulations, Tayah!

END OF TERM RUN DOWN
As is our usual practice, here’s an account of some of the things we’ve done this term: construction of the sand pit for Year 1, Stewart House Donation Drive, Anzac Service at Le Hamel Village, Kilometre Club, Wauchope Show entries, Anzac Day commemoration and our impressive fence display, Chess Challenges, PSSA Hockey, Touch Football, Netball and Cricket, Naplan tests, parents and staff who acted as marshals on the Ironman course, Mother’s Day Stall, Dance Elite, Cross Country, Multicultural Perspectives Public Speaking, Dinosaur Science Show, Kinder Palaeontology Day, Big Band Blast, Musica Viva, Hastings Dance Festival, Mathletics and reports. This was in addition to the daily focus on teaching and learning. Thanks to everyone for your support throughout the term.

ATHLETICS CARNIVAL
The weather was cool to start the day on Wednesday but many fine performances ensured the students warmed up very quickly. Thanks to Ms Bourne for her excellent organization that ensured we finished with time to spare to announce our provisional champions and winners. Thanks to the many parents who assisted with many jobs throughout the day and Noni Collins and her team on the canteen. Following presentation of ribbons and age champion trophies a full report will be published in the first newsletter Term 3.

NAIDOC WEEK
Our senior Aboriginal students impressed as they chaired and contributed to our NAIDOC Week assembly on Monday. Thanks to Uncle Bill O’Brien for his excellent Welcome to Country that made everyone appreciate the wonderful area in which we live. Uncle Bill also opened our Aboriginal totem pole display which has been erected at the western end of the COLA. Yesterday our students participated in variety of Aboriginal games, thanks to many of the Aboriginal students from the Hastings Secondary College, Westport campus.

CIRCUS FANTASTICA
Congratulations to the members of our senior choir who performed at Westport High in the Circus Fantastica production this week. Our students, as always, were a credit to their school. Thanks to Mr Morris for preparing the students for this performance.

KILOMETRE CLUB
It’s back in Term 3! From Wednesday, 15th July and continuing each school day morning (weather permitting) between 8:30am to 8:50am all students and family members are welcome to continue our trek around Australia by running/walking the Kilometre Club track. Joggers may be worn to school on the days you participate.

K-2 ATHLETICS CARNIVAL
The K-2 Athletics Carnival has been rescheduled for Wednesday, 15th July. All information remains the same and a reminder note will be sent home day 1 next term.

UNIFORM CHECK
During the holidays, please check the jumper/jacket/hat your child has been wearing and if it belongs to someone else please return it to the office next term. Several items of clothing which are clearly labelled are missing!

The holidays are also a great opportunity for parents to re-label their ALL of their child’s belongings.

UNIFORM HAT SALES
As of next term, hats will not be sold through the canteen. Hats will be available at the Uniform Shop only.
PSSA BASKETBALL
Hastings Boys and Girls Basketball Teams played rounds two and three in the PSSA knockout on Thursday. First games were played against East Kempsey. Unfortunately they were too strong for our girls’ team who went down 20-10. The girls improved as the game progressed and with a little more game time they will only improve. The boys’ game was a fight to the end. Only one or two points separated the teams for most of the game with half time being 18 all. A very tough and physical game saw our boys defeated in the dying minutes. The final score being 27-23. With a 10 minute break both our teams played Port Primary. The girls ran out of steam and went down to a better side 40-16. The girls can be very proud of themselves and their never give up attitude. The boys ran out winners against Port Primary 27-23. All the boys played very well and improved immensely.

The teams were; Georgia Flowers, Charlotte Pearce, Jasmine King, Jacinta Kellett, Lily Bennett, Jasmine Hyde, Kamryn Murphy, Isabelle Champion and Lily Maqueda.
Jordan Trevenar, Tai Khan, Jordan Westcott, Declan Pitt, Jacob Tonning, Mitchell Chandler, Kai Marino, Ross Charles and Kael Harris.

Thank you to the parents for their support.
